PSEG LONG ISLAND

DCFC *Incentive* Program

PSEG Long Island's Direct Current Fast Charger (DCFC) Incentive program offers operating cost relief in the form of incentives for the demand charges found on the electric bill. Qualified customers can receive up to 50% of their demand charges in the form of a rebate check.

QUALIFICATIONS:

- DCFC station must be publicly accessible for the general public
- DC Fast Charger output must be 50 kW or greater
- Utilize connector types CCS or ChAdeMO
  - North American Charging Standard (NACS) connectors may be utilized so long as at least one (1) CCS or ChAdeMO connector type is made available at the location

REQUIREMENTS:

- Participants will be required to submit data every 12 months prior to receiving payment and provide the following information:
  - Location
  - Reporting Entity
  - Unique Data Source ID
  - Unique Session ID
  - Port ID
  - Timestamp: Plug In and Plug Out
  - Timestamp: Charging Start and Charging End
  - Time Zone
  - Charging Duration (min)
  - Energy Delivered (kWh)
  - Peak Power (kW)
  - Amount Charged ($)
  - Technologies used to manage demand

EMAIL this completed form with all of the following documentation to **PSEG-LI-DCFC@psegliny.com**

- Copy of Charge Letter associated with project
- Copy of PSEG Long Island Electric Bill

APPLICANT CERTIFICATION

The Undersigned agrees to the terms and conditions of the PSEG Long Island DCFC Incentive Program. The Undersigned confirms that the information supplied herein is accurate. Applicant recognizes that any PSEG Long Island decision to award incentives in this program will be based on the information supplied in this application and additional information that PSEG Long Island may request.

This program will be made available for a limited time to select customers. The new commercial tariff, EV Phase-In Rate, is available as of October 2025 for Rate 285 customers and therefore not eligible for this Program. Rate 281 customers, are eligible for this program until December 2026.

The Applicant agrees to meet the requirements of this program. Failure to provide required data to PSEG Long Island may result in not receiving any rebate incentives.

Terms and conditions are subject to change.
