PSEG LONG
ISLAND

We make things work for you.

First Time Users Will start the Process from SGIP Page

The screenshot shows the PSEG Long Island website interface. At the top, there is a blue header with a 'Coronavirus Update' link and a '+ SHOW DETAILS' button. Below this is a navigation bar with links for 'PSEG CORPORATE', 'PSE&G', 'PSEG LONG ISLAND' (highlighted), and 'PSEG POWER'. A search icon and 'CONTACT US' dropdown are also present. On the right, there are links for 'LOGIN or REGISTER'. The main navigation area includes the PSEG Long Island logo and tagline 'We make things work for you.', along with icons for 'MY ACCOUNT', 'PAY BILL', 'REPORT OUTAGE', and 'MOVING'. Below this is a horizontal menu with categories: 'My Account', 'Outages', 'Save Energy & Money', 'Safety & Reliability', 'Corporate Citizenship', and 'Business & Contractors'. The main content area is titled 'About PSEG Long Island / Rates and Tariffs' and 'Interconnection Maps'. On the left, a sidebar menu lists: 'Smart Grid Small Generator Interconnection Procedures', 'Application Instructions', 'Interconnection Maps' (highlighted), 'Interconnection Working Group (IWG)', 'Reference Documents', and 'Frequently Asked Questions'. The main content area is titled 'SGIP Reference Documents' and contains the text: 'Please browse through the reference documents below.' A blue box highlights the link 'Distributed Generation Injection Capability at Substations'. Below this link, there is explanatory text: 'This link provides information regarding the relative degree to which LIPA Distribution substations currently can accept capacity from DG resources: Green reflects favorable conditions for interconnections, Yellow moderate conditions, and Red saturated conditions.'
