

PSEG LONG ISLAND COMMERCIAL EFFICIENCY PROGRAM PROGRAM ANNOUNCEMENT

Document #: CEP 2025-03
Announcement Date: August 1, 2025

RE: 2025 Commercial Program Updates

Based on recent guidance from New York State through the New Efficiency: New York order, PSEG Long Island would like to announce the following changes to the Commercial Efficiency Portfolio. All measures identified as “Non-Strategic*” will be discontinued in 2025.

Commercial Efficiency Program Changes

Non-Strategic Measures		
Discontinuation Effective Date	Program	Measure Type
8/1/2025	Custom	Plug Load/Plug Load Management
		Horticultural Lighting
		Indoor & Outdoor Lighting*
		Lighting Controls
12/1/2025	Lighting	UV Lamps
	Lighting	Indoor & Outdoor Lighting
	Refrigeration	Strip Curtains, Night Covers, Door Gaskets, Ice Maker, LED Lighting, Lighting Controls
	Standard	HVAC Motor Belts
	Water Heater & Conservation	Pre-Rinse Spray Valves, Clothes Washer, Clothes Dryer

**Lighting no longer available through Custom Application; Applications for eligible lighting measures may be submitted through Comprehensive Performance Lighting and Fast Track Lighting through 12/1/2025*

If the measure is not listed above, the measure will continue to be eligible for a rebate in 2026.

General Note: If your “non-strategic” Custom measure was submitted before August 1, 2025, but has not been pre-approved, your project will be discontinued and not eligible for a rebate. No new Custom projects with non-strategic measures will be eligible for rebates. If you’re unsure if your measure is considered “non-strategic”, please contact your PSEG Long Island representative for more information. For all other measures identified as “non-strategic” (in above list) project must be completed and closing documents submitted by December 1, 2025.

****Non-Strategic Definition:***

- Naturally occurring EE that results from codes & standards or routine market adoption
- Increase use of fossil fuels
- Jeopardize advancement of strategic EE/BE programs/measures
- Have an effective, useful life of 6 years or less

The PSEG Long Island Energy Efficiency team holds Open House Events every Friday from 9AM to 10AM at the TRC office at 395 North Service Road, Suite 409, Melville, NY 11747 and on TEAMS ([Click here to join the meeting \[teams.microsoft.com\]](#)). If you have any questions about the application updates, Partner Portal, or any other questions on your projects, please do attend.

Questions or concerns with program updates should be directed to the Commercial Efficiency Program Mailbox CEPLI@pseg.com, or to the PSEG Long Island Infoline (800-692-2626).
