

# 2020 Commercial Efficiency Program

## *Prime Efficiency Partner Agreement, Version 1.0*

### **Background**

The 2020 PSEG Long Island Commercial Efficiency Program (CEP) Prime Efficiency Partner list is made up of contractors, distributors, suppliers and manufacturers of energy efficient equipment. The list also includes skilled professionals such as architects, engineers and energy consultants that assist PSEG Long Island in meeting their energy savings goals.

As a PSEG Long Island Prime Efficiency Partner (PEP), you will receive the following benefits:

- Potential to broaden your customer base and increase sales
- Company listing on PSEG Long Island's Commercial Efficiency Program website
- Training on new energy efficiency technologies and techniques
- Ability to participate in Commercial Efficiency Program offerings exclusive to Prime Efficiency Partners
- Current marketing and application materials

### **Prime Efficiency Partner List Requirements**

To be approved as a Prime Efficiency Partner (PEP) you must:

- Complete and submit a PSEG Long Island Prime Efficiency Partner agreement application
- Provide proof of insurance, including amount of coverage
  - \$1M minimum
- Provide at least three references
- Submit, and have approved, a minimum of five (5) completed program applications over the last 18 months.
- Attend Prime Efficiency Partner training
- Pass Commercial Efficiency Program Prime Efficiency Partner testing
- Provide proof of waste disposal contract or certificate
- Provide W9 form
- Meet the requirements as listed below

The PEP shall observe the following in order to retain a good relationship with the PSEG Long Island CEP:

- The PEP shall accurately represent the relationship between the PEP and PSEG Long Island as follows
  - The PEP is an independent contractor, and a participant in PSEG Long Island CEP. Participating PEPs shall not represent themselves as working for, approved by, or certified by PSEG Long Island.
- The PEP shall maintain all relevant licenses required by federal, state, county or municipal governments or any other agencies with jurisdiction over work they performed under the PSEG Long Island CEP.
- The PEP shall provide customers with informational materials as required by the PSEG Long Island CEP.
- If a PEP becomes involved in a dispute with a customer over business practices, the PEP shall work with PSEG Long Island to resolve the dispute amicably. In any event, the PEP shall hold PSEG Long Island harmless from any suit arising from work performed under the PSEG Long Island CEP.
- The PEP must disclose whether any individual(s) including owners, principles, shareholders, associates and employees affiliated with the PEP have previously participated in, or are currently participating in, any of PSEG Long Island's programs, including the PSEG Long Island CEP. If so,

list any and all individual on the Prime Efficiency Partner Application, as this is an ongoing requirement.

- The PEP acknowledges that participation in PSEG Long Island’s CEP is a privilege, and that PSEG Long Island may suspend or terminate PEP’s participation in PSEG Long Island’s CEP for any reason, including failure to maintain program standards. In all cases involving a PEP’s participation status, PSEG Long Island’s written decision is final.
- PSEG Long Island reserves the right to make changes to the PSEG Long Island CEP requirements and incentives. PEPs will receive notice of such changes. Notification shall be by email and posting on <https://www.psegliny.com/page.cfm/Commercial/Efficiency>

To be eligible to participate as a 2020 PSEG Long Island Prime Efficiency Partner, contractors must sign the 2020 PSEG Long Island Efficiency Partner Agreement. As a 2020 PSEG Long Island Prime Efficiency Partner, you will be listed on PSEG Long Island’s CEP website: <https://www.psegliny.com/page.cfm/Commercial/Efficiency>

Please review, sign and return the Prime Efficiency Partner Application in order to be considered for participation in this year’s program.
