

# 2024 Energy Efficiency Programs

## Program Partner Agreement v1.0

### Background

The 2024 PSEG Long Island Energy Efficiency Programs are supported by the work and dedication of our Partners. PSEG Long Island's Partner Programs are made up of contractors, distributors, suppliers, and manufacturers of energy efficient equipment. The list also includes skilled professionals such as architects, engineers and energy consultants that assist PSEG Long Island in meeting their energy savings goals.

As a PSEG Long Island Program Partner, you will receive the following benefits:

- Potential to broaden your customer base and increase sales
- Company listing on PSEG Long Island's website
  - Must complete 5 projects per year or 1 TA Study per year
- Access to the PSEG Long Island Lead Partner Portal
- Ability to participate in Program offerings
- Use partner logo on approved marketing material
