

# PSEG LONG ISLAND COMMERCIAL EFFICIENCY PROGRAM PROGRAM ANNOUNCEMENT

Document #: CEP 2022-08  
Announcement Date: 9/6/2022

## RE: 2022 Commercial Efficiency Program Updates – EOY Bonus Incentive

Energy Efficiency Program Participants:

PSEG Long Island is happy to announce the following updates to the 2022 Commercial Efficiency Program (CEP) effective 9/6/2022.

- PSEG Long Island will be introducing an End of Year Bonus (Bonus Incentive) for projects that are completed and closing documents are submitted between Tuesday, September 6, 2022, and Friday, December 9, 2022
- In order to be eligible for the Bonus Incentive, **completed closing documents must be submitted** via the Lead Partner Portal or emailed to [CEPLI@pseg.com](mailto:CEPLI@pseg.com)
  - No additional documents are needed for the Bonus Incentive
- The Bonus Incentive will be 20% adder to the final rebate amount
- The Bonus Incentive will be sent in the form of a check to the account holder's mailing address
- The following programs are **NOT** included in the Bonus Incentive program:
  - Non-Road Electric Vehicles
  - Technical Assistance Program
  - Phase II Payments of Custom Projects
- The Bonus Incentive amount does **NOT** get included in the total for the purposes of calculating any contractor incentive

Unless indicated above, there are no additional changes to applications.

The PSEG Long Island Energy Efficiency team will provide additional support for questions at the virtual Open House Events every Friday from 9AM to 10AM

**Join on your computer or mobile app**
