
PSEG LONG ISLAND COMMERCIAL EFFICIENCY PROGRAM PROGRAM ANNOUNCEMENT

Document #: CEP 2022-01
Announcement Date: January 10, 2022

RE: 2022 First Quarter Commercial Program Update

Energy Efficiency Program Participants:

PSEG Long Island is happy to announce the 2022 Commercial Efficiency Program (CEP). Below please find the list of applications effective January 1, 2022. We will continue to accept 2021 applications through Friday, January 14th, 2022, at 5:00 PM. We will not accept applications from prior years.

2022 Commercial Efficiency Program Applications:

- 2022 Outdoor Lighting Rebate Application Version 1.0
- 2022 HVAC Rebate Application Version 1.0
- 2022 Standard Rebate Application Version 1.0
 - New Measures: Motor Belt Replacements, Elevator Modernization, Kitchen Demand Ventilation Control
- 2022 Refrigeration Rebate Application Version 1.0
- 2022 Multi Family Rebate Application Version 1.0
 - New Measures: Motor Belt Replacements, Elevator Modernization, Vertically Stacked Geothermal Heat Pumps
- 2022 Geothermal Rebate Application Version 1.0
- 2022 Water Heating and Conservation Version 1.0
 - New Measure: Pipe Insulation
- 2022 Custom Performance Rebate Application Version 1.0
 - Measurement and Verification (M&V) Tab added to application
- 2022 Technical Assistance – Engineering Study Application Version 1.0
 - Measurement and Verification (M&V) Tab removed from application
- 2022 Technical Assistance – LEED Application Version 1.0
- 2022 Technical Assistance – Whole Building Application Version 1.0

Please continue to utilize the 2022 Comprehensive Performance Lighting Application Version 1.0 and 2022 Fast Track Rebate Application Version 1.0 that were released on October 4, 2021.

Unless indicated above, there are no additional changes to rebate levels.

All new applications are now available on the PSEG Long Island website. Click [here](#).

Please continue to utilize the Lead Partner Online Application to enter applications and upload project documents. The Online Application can be found in the existing Lead Partner Portal under the “Your Dashboard” view. For access to the Lead Partner Portal, please e-mail cepli@pseg.com with the subject line “Lead Partner Portal Access”. If applications are submitted through the Lead Partner Portal Online Application, it is not necessary to e-mail the Application and Required Documents to the Commercial Efficiency Program Mailbox.

The PSEG Long Island Energy Efficiency team will resume virtual Open House Events every Friday from 9AM to 10AM starting January 7th.

On January 27, 2022, at 10:00 a.m., the PSEG Long Island Energy Efficiency team will be hosting a virtual 2022 Program rollout through Microsoft Teams; PSEG Long Island staff will review program updates and provide additional information. We will send out an e-mail with registration information on or around January 12th.

Questions or concerns with program updates should be directed to the Commercial Efficiency Program Mailbox CEPLI@pseg.com, your Energy Consultant/Project Specialist, or to the PSEG Long Island Infoline (800-692-2626).

Please note, program staff members are also available every Friday morning through Microsoft Teams from 9:00 a.m. – 10:00 a.m. to answer customer and contractor questions.
