*All eligible Comprehensive Performance Lighting projects will receive the additional "25% (Base)" bonus; all projects that are located within a Disadvantaged Community (DAC) will receive an additional 25% bonus. Please note, HVAC Partial Building, Multi-Family Heat Pumps, Custom Heat Pumps and Building Weatherization already have LTO bonuses built in to the rebates.		

Please note, in order to qualify for the above “Limited Time Offers”, all projects must be submitted on or after April 1, 2024, and all closing documents received by December 9, 2024. The Total Project Rebate + Bonuses cannot exceed 100% of the Total Project Costs. All Limited Time Offer bonuses will be applied to all eligible projects. To check Disadvantage Community status, please visit the NYSERDA website:

<https://www.nyserda.ny.gov/ny/Disadvantaged-Communities>

- **Note 1:** Please continue to use the current versions of the above mentioned Commercial Efficiency Program Applications
- **Note 2:** An updated Project Completion Certification Form (PCC) must be submitted for all projects where a Limited Time Offer bonus is applied, in order for the rebate to be processed. The “Rebate Amount” field on the PCC must match the final rebate amount with all rebates and LTO bonuses included.
- **Note 3:** Please use the “2024 Commercial Limited Time Offer Bonus Tool_Version 1.0” to determine bonus rebates for **Comprehensive Performance Lighting** projects. The Limited Time Offer Bonus Tool is attached to this announcement. Be sure to submit the completed Limited Time Offer Bonus Tool with all closing documents.
