

PSEG LONG ISLAND COMMERCIAL EFFICIENCY PROGRAM PROGRAM ANNOUNCEMENT

Document #: CEP 2024-06

Announcement Date: December 23, 2024

RE: 2025 Commercial Program Updates

PSEG Long Island is happy to announce the 2025 Commercial Efficiency Program (CEP). Below please find the list of applications effective January 1, 2025. We will continue to accept 2024 applications through Friday, January 10, 2025, at 5:00 PM. After this date we will not accept any 2024 applications.

2025 Commercial Program Disadvantaged Community Rebates:

- PSEG Long Island will continue to support Commercial customers located in a Disadvantaged Community (“DAC”) – For all 2025 Applications submitted on or after January 1, 2025:
 - All customers located in a “DAC” may be eligible for up to 25% increased rebates
 - *Technical Assistance is not included*
 - A “Located in a Disadvantaged Community” Dropdown will be a selectable field on the Customer Information tab for all Commercial Workbooks
 - If “Yes” is selected, all rebates will be increased by up to 25% directly in the workbook
 - Please note, all existing project caps still apply
 - Final “DAC” determination will be made by PSEG Long Island

2025 Commercial Efficiency Program Applications:

- 2025 Comprehensive Performance Lighting Application Version 1.0
 - No Major Changes
 - All Lighting Projects must be completed and closing documents submitted by December 1, 2025

 - New Construction Pre-Approval Duration → Project must be completed and closing documents submitted by Building Permit Expiration Date
 - If Building Permit expires, please contact PSEG Long Island to discuss next steps
 - Existing Building Pre-Approval Duration → Project must be completed and closing documents submitted within 365 days of pre-approval

All applications will be available on the PSEG Long Island Website on or around January 2, 2025. Click [here](#).

Please note: Lighting Pre-approvals and Multi-Family New Construction Pre-Approvals have been updated as a result of New York State's New Efficiency New York (NE:NY) and All Electric Buildings Law. PSEG Long Island will provide more information on both NE:NY and the All Electric Building Law at a later date.

The PSEG Long Island Energy Efficiency team holds Open House Events every Friday from 9AM to 10AM at the TRC office at 395 North Service Road, Suite 409, Melville, NY 11747 and on TEAMS ([Click here to join the meeting \[teams.microsoft.com\]](#)). If you have any questions about the application updates, Partner Portal, or any other questions on your projects, please do attend.

Questions or concerns with program updates should be directed to the Commercial Efficiency Program Mailbox CEPLI@pseg.com, or to the PSEG Long Island Infoline (800-692-2626).
