Document #: FMR 2025-01
Announcement Date: January 27, 2025

RE: 2025 EV Make Ready Updates

PSEG Long Island is happy to announce the 2025 Fleet Make Ready (FMR) Program. Below please find the list of applications effective January 27, 2025. We will continue to accept 2024 applications through Friday, January 31, 2025, at 5:00 PM. After this date we will not accept any 2024 applications.

2025 Fleet Make Ready Program Application Updates:

- Version → 1.0
- Program Year → 2025
- Effective Date → 1.1.25
- General Information Tab → Added “Is the applicant the owner of the property?” field, and the follow up question, “If Not, do you have the Right to Install EV Related Equipment on the Property” if the first answer is “No”
 - If the answer to the first field is “yes” then the second question stays hidden
 - These fields are only present on the external application
- Fleet Description Tab → Fleet Life cycle has been formatted to only allow Whole Numbers to be entered
- Fleet Equipment Worksheet → Added Serial Number collection field to the equipment information

The 2025 Fleet Make Ready Application Version 1.0 and supporting documentation will be available on the PSEG Long Island Website on or around January 27, 2025. Click [here](#).

The PSEG Long Island Transportation Electrification team holds Open Office Hours every Friday from 9AM to 10AM on Zoom (visit our [website](#) to join; No sign up is required). If you have any questions about the application updates, Partner Portal, or any other questions on your projects, please do attend.

Questions or concerns with program updates should be directed to the Fleet Mailbox PSEG-LI-EVFleet@pseg.com
