

Program Guidelines

In an effort to increase the installation of energy efficient products, PSEG Long Island is offering an incentive to participating dealers who install the following:

- PSEG Long Island approved Electric Heat Pump Pool Heaters – Unit must have a COP of at least 5 with a limit of one rebate per residential account every 5 years.
- Customers that have an electric account with PSEG Long Island are eligible for a separate rebate pending installation by a participating installer. Participants must comply with PSEG Long Island's rebate terms, conditions and marketing requirements.*

*****THE FOLLOWING CRITERIA MUST BE MET IN ORDER TO QUALIFY FOR REIMBURSEMENT*****

- Participating Dealer/Installer must have completed a PSEG Long Island 2024 Program Partner Agreement and fill in information on 'Application' tab.
NOTE: PRIOR PARTNER AGREEMENTS DO NOT CARRY OVER. YOU MUST SIGN A NEW PARTNER
- Rebate applications must be completed in full and postmarked within 45 days of installation, but no later than 12/31/24.
- Rebate applications must include customer, installer, and product information completed in full and all required documentation.
- Electric Heat Pump Pool Heater customer must have a current residential electric account with PSEG Long Island.
- The installer agrees to abide by the heat pump manufacturer's installation guidelines, and all installations must be in accordance with all applicable local, state and national codes and ordinances. Subject to post installation inspection.

***Terms and conditions are subject to change without notice. The rebate will be issued in the form of a check. PSEG Long Island administers the rebate program on behalf of the Long Island Power Authority, the rebate program sponsor.
