RE: 2022 Return to Weekly In-Person Open House

Dear Home Comfort Partners:

PSEG Long Island is pleased to announce that we are resuming in-person open house events for contractors seeking additional assistance in navigating Home Comfort programs.

The Home Comfort open house will be held most Friday mornings from 9 am to 10 am at the TRC office at 395 North Service Road, Suite 409, Melville, NY 11747 starting this Friday, October 7.

Members of our Residential and Commercial energy efficiency teams will be available to assist and answer any program related questions you may have.

Please remember you can still get support at the weekly [Virtual Open House meetings](#) held on most Friday mornings, also from 9 am to 10 am. You can also contact myself or Joshua Ebner Joshua.Ebner@pseg.com with related questions.

On behalf of myself and the entire Home Comfort team, thank you for your participation.

Sincerely,

Jonathan Tham
