

2017 Commercial Efficiency Program

CEP Program Announcement - 2017-02: Updated Fast Track and Comprehensive Lighting Applications v2.0 May 15, 2017

Energy Efficiency Program Participants:

We are announcing the following changes to the PSEG Long Island Commercial Efficiency Program:

Fast Track

Fast Track Rebate Schedule 2017v2.0 is attached, effective close of business Tuesday (5:00 PM on Tuesday, 5/16/17). The Fast Track version2.0 worksheet will be sent to Prime Efficiency Partners. Changes to rebates were made as indicated below:

- L410 (Screw in Lamps) from \$12 to \$6
- L742 (2' LED Tubes) from \$8 to \$6
- L744 (4' LED Tubes) from \$12 to \$8
- L820 and L820-P (High Bays) from \$200 to \$175

Any complete Fast Track applications and all associated Required Documents (project submittals) must be received by the CEP mailbox (cepli@pseg.com) prior to 5:00 pm Tuesday in order to be eligible for version 1.0 rebates.

- Any new project submittals received after 5:00 pm on 5/16/17 will be paid under version 2.0 rebate values.
- Any incomplete project submittals will be paid under version 2.0 rebate values.
- All project submittals must be emailed to the CEP mailbox in order to be eligible for version 1.0 rebates. Any emails directed to CEP staff members may not be accepted.
- Any project submittals previously received by the CEP mailbox and not yet processed will be paid at version 1.0 rebate levels.

Comprehensive Lighting

Comprehensive Lighting Application 2017v2.0 is attached, effective close of business Tuesday (5:00 PM on Tuesday, 5/16/17). Changes to rebates were made as indicated below:

- L410 (Screw in Lamps) from \$12 to \$6
- L742 (2' LED Tubes) from \$8 to \$6
- L744 (4' LED Tubes) from \$12 to \$8
- L820 and L820-P (High Bays) from \$200 to \$175

*CEP Program Announcement - 2017-02:
Updated Fast Track and Comprehensive Lighting Applications v2.0
May 15, 2017*

Any complete Comprehensive Lighting project submittals received prior to 5:00pm on Tuesday 5/16/17 will be preapproved at version 1.0 rebate values.

- Any new project submittals received after 5:00 pm on 5/16/17 will be paid under version 2.0 rebate values.
- Any incomplete project submittals will be paid under version 2.0 rebate values.
- All project submittals must be emailed to the CEP mailbox in order to be eligible for version 1.0 rebates.
- Any emails directed to CEP staff members may not be accepted.
- Any project submittals previously received by the CEP mailbox and not yet processed will be paid at version 1.0 rebate levels.
- Any project that is not preapproved because products do not qualify, project submittals were incomplete, pre-inspection identifies different conditions, where a scope has changed, or where another discrepancy was identified will be paid at version 2.0 rebate values.

Any questions/concerns/issues with the Applications or Worksheets should be directed to the CEP Mailbox cepli@pseg.com or your Energy Consultant/Project Specialist.
