Rebate Requirements / Terms and Conditions:

1. There must be a PSEG Long Island residential electric account at the installation site in the applicant's name.
2. Unit(s) must be purchased and installed between 1/1/19 and 12/31/19.
3. Rebate application must be submitted within 90 days of purchase and postmarked no later than 12/31/19.
4. Please allow up to 60 days for delivery of the rebate check.
5. Some ENERGY STAR® qualified equipment may not be eligible for this rebate. Qualifying units must be listed in the AHRI directory. Qualifying ccASHPs must be listed on neep.org.
6. It is the customer's responsibility to ensure contractor has proper licenses, certifications and insurance. Installation is to be properly permitted (or received authorization). Documents, including but not limited to, permits and surveys are to be provided upon request.
7. Replacement of systems less than five years old, that were rebated, are not eligible for a rebate unless the SEER level of the replacement unit is higher than the existing unit by at least one full SEER level.
8. All units, including Ductless Mini Split Systems, must be installed with the matching pieces specified in the AHRI directory. These rebates apply to new and replacement total system installations performed during the term of this rebate program. The Condenser (outdoor), and Coil/ Air Handler (indoor) must be installed new and constitute one unit. Partial system replacements do not qualify.
9. PSEG Long Island reserves the right to inspect the equipment installation to ensure compliance with program requirements. Failure to allow PSEG Long Island access to the equipment will result in a denial of the rebate application.
10. PSEG Long Island is not responsible for any tax liability imposed as a result of rebate payments.
11. PSEG Long Island reserves the right to use the customer rebate to credit accounts in arrears.
12. PSEG Long Island is not responsible for lost or undeliverable mail or email.
13. By providing a telephone number you are giving consent to be contacted at that number about matters that are closely related to the utility service
