

2018 Bulk Purchase Rebate Program Product Pre-Approval Form

In an effort to increase the installation of ENERGY STAR® certified lighting products in its service territory, PSEG Long Island is offering a bulk purchase rebate to homeowners, builders, and contractors who install ENERGY STAR certified LED light bulbs and fixtures in residential applications. The bulk purchase program requires this pre-approval form to be submitted prior to purchase in order to participate in this program. Rebate amount is subject to change at any time per PSEG Long Island's discretion.

All Products must be pre-approved prior to purchase

- Installation address must be a PSEG Long Island Residential address to qualify.
- Products must be ENERGY STAR certified and currently listed on www.energystar.gov.
 - Please verify product is certified before submitting this form.
- Bulk purchase rebates cannot be combined with any other PSEG Long Island offer; including PSEG Long Island instant markdown incentives at participating retail locations.

The following criteria must be met in order to qualify for reimbursement:

- **Bulk purchase sales receipt and/or invoice must be dated on or after pre-approval signature date.**
- Must purchase 21 bulbs or more of the same model number at the same time.
 - Bulbs/fixtures that are ENERGY STAR certified and that do not receive an in-store PSEG Long Island discount can be submitted for bulk purchase reimbursement. The sales receipt **must** distinctly show that no PSEG Long Island discount has been received on the remaining bulbs.
- Purchases must be made between 1/1/18 and 12/31/18.
- Rebate cannot exceed 80% of retail cost per bulb or fixture.
- **Rebate forms must be submitted within 45 days of the purchase date and cannot be submitted any later than 12/31/18.**
- Products cannot be purchased for resale.
