

**Heat Pump Pool Heater Rebate Program Ending
Deadline for Rebate Application Submittals: Friday, October 31, 2025**

As a result of recent guidance from New York State through the New Efficiency: New York Order, PSEG Long Island is announcing the following changes to the Heat Pump Pool Heater program. All measures identified as “Non-Strategic” will be discontinued. Therefore, rebate submission must be received by Friday, October 31, 2025.

[Click here](#) for a current list of eligible models or visit <https://www.psegliny.com/saveenergyandmoney/energystarrebates>. Please be sure to choose an eligible model(s) to install from the updated list.

Please purchase, install, and submit the rebate application for all Heat Pump Pool Heaters as shown below to qualify for a rebate.

- **Online** applications through the PSEG Long Island website: <https://psegli.capturesportal.com/> must be **submitted by October 31, 2025**.
- **Emailed** applications to MyRebateLI@psegliny.com must be **received by October 31, 2025**.
- **USPS mail** applications must be **postmarked no later than October 31, 2025**.

Thank you for your support and contributions over the years to the PSEG Long Island Heat Pump Pool Heater program.

Dorothy Weisblatt
