

2025 Home Performance Program

Eligible Measures and Accessories

Effective April 1st 2025

This is a general guide to eligible incentives and financing options available through the PSEG Long Island Home Performance Program. Eligibility may vary based on the energy efficiency requirements for each upgrade type, results of the comprehensive home assessment, and funding source.

PSEG Long Island Home Performance Eligible Measures List	
Eligible Measure	Minimum Efficiency Requirements
Insulation (attic, wall, floor, band joist, basement, crawl space)	Must be accompanied by blower door assisted air sealing per BPI standards
Air Sealing	Blower door assisted per BPI standards
Duct Sealing	UL 181B mastic or tape; use of "duct tape" is disallowed
Windows	0.2- 0.32 U- Factor

PSEG Long Island Home Performance Eligible Rebate List			
Measure	Market rate	Market & Disadvantaged Community Rebate	Low Income & Low Income Disadvantaged Communities
Insulation	\$500	\$650	\$4650
Air Sealing	\$250	\$300	\$1000
Duct Sealing	\$250	\$300	\$600
Windows**	\$4	\$8	\$8

*LMI Rebates follow NYSEDA EmPower financial requirements with verifications completed by Energy Finance Solutions.

** Windows Rebate is Per Square Foot

Customer Eligibility

- Single-family homes in PSEG LI territory with a primary heating fuel of oil, natural gas, propane, or electric are eligible for Market Rate and LMI Rebates.
- Disadvantaged Community (DAC) rebates are available to Market and Low Income customers who are located within a Disadvantaged Community; DAC status can be checked here: [Disadvantaged Communities - NYSEDA](#)

Additional Terms and Conditions

- Insulation must be installed in conjunction with comprehensive air sealing.
- All ductwork in unconditioned space must be duct sealed.
- Windows are permitted with the installation of a Whole House Cold Climate Air Source Heat Pump, and at a minimum insulation and air sealing.

Financing Options

- Program financing is available for all eligible measures through NYSEDA. Additional NY State Financing information can be found at www.energyfinancesolutions.com
