**RE: PSEG Long Island Home Comfort and Contractor Participation Agreement**

Dear PSEG Long Island Home Comfort Partners:

We are excited to announce that the PSEG Long Island Cool Homes Program has been rebranded as the PSEG Long Island Home Comfort Program. The Cool Homes Program has been a very successful brand in the promotion of high efficiency residential air conditioning. The Home Comfort Program will build upon the success of the Cool Homes Program with the promotion and focus on heat pump technology.

We have also updated our 2019 Contractor Participation Agreement (CPA). Please note that as part of our CPA, ground source heat pump partners are required to provide their current International Ground Source Heat Pump Association (IGSHPA) certification. Please return the signed CPA to [joshua.ebner@pseg.com](mailto:joshua.ebner@pseg.com) by April 19, 2019 to be considered for the May 2019 Partner listing.

If you have any issues, please do not hesitate to contact either myself or Joshua Ebner  
[joshua.ebner@pseg.com](mailto:joshua.ebner@pseg.com).

We value your continued participation in the new PSEG Long Island Home Comfort Program.

Sincerely,

*Jonathan Tham*
