RE: 2026 Space Heating Market Rate Partner Bonus Program Incentive

PSEG Long Island is pleased to announce **a limited time** Partner Bonus Program Incentive where our partners can earn **an extra incentive of \$1,000 per Market Rate project with Space Heating Heat Pumps installed**. This program is effective from August 1, 2026, and is expected to last through December 11, 2026.

See details below and on the [Market Rate Partner Bonus Program Incentive Application](#).

Space Heating – Market Rate – Partner Bonus Program Incentive

Effective August 1, 2026, through December 11, 2026, all eligible Home Comfort and Home Comfort/Home Performance “Combo” Partners who start and complete **a minimum of 8 Market Rate Space Heating Projects** and submit all Required Closing Documents by the “Closing Documents Submitted Deadline” may qualify for the **Partner Bonus Program Incentive**. Please note, both standalone Market Rate Home Comfort projects and Home Comfort/Home Performance Market Rate “combo” projects qualify, where Space Heating is installed. Once Partners complete 8 projects, Partners are eligible for \$1,000/Project incentives for those 8 projects and all subsequent projects through the end of the Market Rate Partner Bonus Program Incentive. *Low Income and Moderate Income projects do not qualify for this incentive.*

8 Market Rate Projects Minimum				
To qualify for the applicable incentive, the minimum of 8 Market Rate projects must be completed by the date indicated in <u>Closing Documents Submitted Deadline</u> column. Partner Bonus Incentive Applications must be submitted prior to the date indicated in the below Partner Bonus Incentive Application Submittal Deadline.				
Incentive Per Completed Project	Application Submittal Date (On or After)	Closing Documents Submitted Deadline	Partner Bonus Program Incentive Application Submittal Deadline	Maximum Incentive
\$1,000	8/1/2026	12/11/2026	12/18/2026	\$100,000

To qualify for the Partner Bonus Program Incentive, the Partner must:

- Complete the “Space Heating – Market Rate – Partner Bonus Program Incentive Application” and “Project Log.”
 - These documents must be submitted through the PSEG Long Island Partner Portal by the “Partner Bonus Program Incentive Application Submittal Deadline” to qualify for the incentive.
 - Submittals through the Mailbox will be rejected.
- Be listed on all qualifying applications as Partner of Record.
- Submit all closing documents by “Closing Documents Submitted Deadline.”

-
- If project is not complete, contractor will forfeit incentive and be subject to Quality Control Evaluation (QCE) Process.

If you experience any issues with the Home Comfort or Home Performance Program, or have questions regarding the rebate application, please contact your Account Manager for assistance.

On behalf of the entire Home Comfort and Home Performance team, thank you for your continued participation and support.
