RE: 2023 Home Comfort and Home Performance Program Application Version 1 Release

Dear Home Performance Partners:

PSEG Long Island is pleased to announce the 2023 Home Comfort and Home Performance V1.0 rebate application workbook. Effective Monday, January 30th all application submissions must use the 2023 V1.0 application. The application workbook is now available for download at the [contractor website](#).

SAVE THE DATE! We strongly recommend your attendance at our Home Performance Program orientation. We will be hosting an in-person meeting on Wednesday January 18th, at 9 am at the TRC Melville office located at 395 N Service Rd. Suite 409, Melville, NY 11747.

You can also join us remotely using this link below. [Click here to join the meeting](#)

We are also having the PSEG Long Island Contractor Awards and Breakfast on Friday, January 27th at the Huntington Hilton. [Click Here to Register](#)

For 2023 the Home Performance Rebates and incentives remain the same:

PSEG Long Island Home Performance with ENERGY STAR Eligible Rebate List		
Measure	HEMI Rebate	LMI Rebate*
Insulation	\$600	\$4,500
Air Sealing	\$300	\$1000
Duct Sealing	\$300	\$500

*LMI Rebates follow NYSERDA EmPower financial requirements with verifications completed by Energy Finance Solutions.

Program/Application Changes for 2023:

- Total rebates for Income Eligible projects will not exceed 100% of the total project cost OR \$40,000 in total rebates, whichever occurs first. This cap only applies to the Home Comfort Heat Pump measures when submitting a combination project.
- When Whole House or Partial House is selected for the Project Type- Heat Pump on the Site Information tab, Heating System 1 and Cooling System 1 Source drop down now only show Home Comfort Heat Pump.
- Smart Thermostats
 - Connected rebate increased to \$100
 - Learning rebate increased to \$130

Program Reminders:

All HPwES projects must still be preapproved before work starts and have completion documents submitted after the installation is complete.

Approval submissions will include:

- Completed Excel Workbook.
- Signed CIF (Customer Information Form).
- Executed Assignment Letter if applicable.
- Signed Contract with itemized pricing to match worksheet and a terms and conditions page.
- Loan and/or LMI approval letters from EFS if applicable.

Completion submissions will include:

- Signed PCF (Project Completion Form).
- Signed PCC (Post Project Completion Certification).
- Completed Health & Safety form (PDF).
- Pictures of completed work – minimum of one picture of each completed measure.

Email all project documentation to homeperformanceli@pseg.com:

- Email subject -> HPwES – Approval / Completion – Last Name – (HEMI / LMI / Loan / Combo).
- All documents must have the name and signature of the PSEG Long Island account holder.
- Signatures and dates must be accurate.

Home Energy Assessments (HEA) Completion Requirements:

- Copy of completed HEA with signed cover page.
 - Accurate modeling including lighting and appliance fields completed.
- Signed CIF (Customer Information Form).
- All documents uploaded through the contractor portal.

Additional Quality Assurance/Quality Control requirements:

- PSEG Long Island reserves the right to inspect any project before approving rebate payments.

Thank you for your long-standing support over the years, especially as we continue to raise the bar in delivering quality programs and projects with our partners for PSEG Long Island customers.

Sincerely,

Josh Ebner
